March 28, 2025

Dear Residents of Chesdin Landing,

The Board of Directors are excited to announce the use of Cellbadge for entry into the pool for the 2025 Pool Season.

The use of Cellbadge will allow the community to enter the pool without the need of passes and it will also assure that only residents are able to enter the pool. You will walk into the pool and give the lifeguard your address and your information will be shown on the iPad which will allow you entry into the pool.

Guests are still allowed for a \$5.00 guest fee along with an adult member of Chesdin Landing.

To sign up you can go [chesdinlanding.cellbadge.com/register](https://chesdinlanding.cellbadge.com/register) or you can click on the QR Code on next page.

It will require you to put the information of all members of your household along with a picture of each member.

A sample of what the webpage will look like is attached.

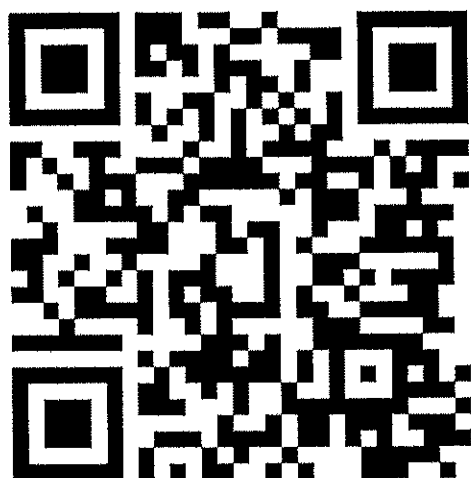

Please remember that only residents in good standing in Chesdin Landing will be able to attend the pool. This will be checked weekly.

If you have any questions, I can be contacted by email at [amurphy@communitygroup.com](mailto:amurphy@communitygroup.com) or you can call me at 804-727-3628.

Sincerely,

*Anthony Murphy*

### **How do I get into the pool?**

If you are approved for valid access to your community pool, simply tell the lifeguard your last name. Lifeguards have an online searchable database to quickly check you and household members into the pool. There's even a CellBadge app available for Android and Apple mobile phones so you can "check-in" online as well as see pool news and information.

Everything is online – no more keys, fobs or laminated cards – all you need is your mobile phone!

*Still having trouble getting registered?* Contact your community representative or HOA for assistance.
